Hi Carole and Misty,

Carole- Misty is the Executive Director of the North Figueroa Association, which is our Business Improvement District on the corridor. She can be very helpful in the process and I apologize for connecting you two so late.

Misty- Carole is working on "Battlecreek" which is filming in the security building near our office. Per our earlier conversation, they will be using the entire lot behind the building on March 20th. All businesses have been notified, as Carole has been very diligent.

Just wanted to connect the two of you.
